

Sri Lanka Energy Managers Association

Guidelines to Application for Membership

Corporate Member

Eligibility:

Corporate Membership is open to any person who possesses a minimum educational qualification equivalent to the National Diploma in Technology awarded by a recognized university in Sri Lanka or any other qualification awarded by a recognized institution acceptable to SLEMA, and one or more of the following qualifications;

- a) Graduate of any Energy Planning, Management & Conservation course sponsored by the Ministry of Power and Energy and/or any other local or foreign organization recognized as a suitably qualified organization to hold such a training course.
- b) Person who is involved in the design and/or implementation of Energy Management programmes.
- c) Person with training and/or experience in Energy Planning, Conservation and Management related activities.

Application Procedure:

1. Application forms should be filled accurately and in full.
2. All applications should be proposed and seconded by two corporate members of SLEMA and the proposer should verify the details given by the applicant in items [4], [5], [6], [9], [13] and [14].
3. Applications should be submitted with the following
 - a. Relevant fees (refer Membership Fees Table).
 - b. A copy of the certificate of the highest educational qualification
 - c. A copy of certificate(s) of training programs on energy attended by the applicant
 - d. A hard copy and a soft copy of a written report titled "Experience in Energy Management and Related Work" typically of five pages, but not exceeding ten pages, that best describes the applicant's practical application of energy management skills in one or many of the following areas:
 - Energy efficiency
 - Renewable energy
 - Rural energy
 - Energy financing
 - Energy economics
 - Teaching energy and related courses in Universities and technological institutions
 - Work done for a higher degree in energy such as a research project
 - e. A brief description of career progression and a statement indicating how the applicant wishes to engage with SLEMA in furthering its services to the society and membership.
4. If the above submissions are found to be satisfactory, SLEMA will invite the applicant for an interview. During the interview, the applicant should fulfil the following:
 - a. Submit the original certificate of the highest educational qualification (a copy of which was submitted with the application) for the inspection of the interview panel.
 - b. Submit the original certificate(s) of training programs on energy, attended by the applicant (of which copies were submitted with the application), for the inspection of the interview panel.

- c. Successfully defend the contents of the report “Experience in Energy Management and Related Work” submitted with the application.

Life Member

Eligibility:

Life Membership is open to any member who is eligible to be a Corporate Member, and Life Members are exempted from the annual membership payment by paying the once and for all life membership payment as specified in the Membership Fees Table.

Application Procedure:

Application procedure is the same as for Corporate Membership.
